Worcester 11/ February

Dear Dr. Watson

I enclose these  
letters to you, for I suppose  
you will know what to do  
with them.

You will be glad to  
hear that I have had  
another cable from Dr.  
Godale. He is in Sydney,  
but sails for Bulawayo on  
the 17<sup>th</sup> of this month.

He seems to be having a  
most delightful time in Australia.  
His journals and letters are  
very interesting and enthusiastic.

Do you remember a  
letter from Mr. Nicks, near  
Shirley? I received a second  
letter from him, expressing his  
regret at missing Dr. Godale  
in London, and he speaks
